Barbershop Harmony Society Mission

The Society is built on a fundamental principle that drives our mission: singing brings joy to our lives and world.

St. Croix Valley Chapter Mission

The Croix Chordsmen Chorus is dedicated to bringing a quality musical experience, in the Barbershop Style, to its communities, its schools, and its audiences in the St. Croix Valley.

To achieve this mission, the Chorus strives to:

Achieve performance excellence in vocal and visual presentation

Promote good fellowship among its members

and support the community through charitable projects.

If you think you can sing... YOU CAN!

If you're the kind of guy who sings in the shower, sings in the car, sings to himself ... but wouldn't dream of singing in public... well, fear no more! *You can sing too!*

Singing is fun! Uplifting! Energizing!

Immerse yourself in music, and stress is washed away. You'll feel alive, energized, fulfilled when your voice blends to create rich, sweet harmony.

There may be no more expressive way of sharing the love in your heart than singing... no way of saying "I love you" more tenderly... no way of sharing the joy of being a parent with your youngsters... than by making music with the voice. *You can sing too!*
