QUARTET CONTEST

The Spring Show needs a quartet to perform one of the Polecats. We've decided to set up a contest to determine who will be in that quartet. In the interest of getting some new blood on the stage, everybody is eligible except: No Section Leaders nor Directors.

The contest will be judged by the Section Leaders and Matt. All of you are strongly encouraged to form quartets at your discretion and pick a song from the Polecat book. Any of you can be in more than one quartet at your discretion. The judging team will reserve the right to juggle membership of the quartet chosen to be in the show, to ensure that we end up with the best quality quartet possible.

The contest will begin after the Christmas Show. Unless we're overwhelmed with a large number of quartets, we will specify nights when all quartets will be required to perform. We will need to stay flexible in the number of nights needed to determine the final quartet; performances by contest quartets need to be completed by a date yet to be determined.
